

These courses have been approved by the Commission of Professional Standards. Check with the university advisors for current course offerings, for we are unable to update this listing each semester with current offerings. Check with university advisors for the best information. Many out-of-state universities offer career and technical or workforce education coursework that does not appear on this list. If you have a catalog course description, submit it to our Las Vegas office with a provision removal form and an explanation of your provisional need. We will try to respond within two weeks.
